Investing in Our Spiritual Wellbeing

Spiritual investing; putting our money where our hearts are.
The practice of giving back to our spiritual source.

In 2008 the Northern California/Northern Nevada Region of the A.R.E celebrates its 20th anniversary as a Region. In honor of this grand achievement we invite you to express your commitment to your Region by completing the pledge card attached below, and committing to **support the Northern California/Northern Nevada Region of the A.R.E with a pledge of $20 a month for 20 months**. This financial support will enable us to focus on long range planning of superior programming and opportunities for personal growth, upgrade our AV equipment, invest in our outreach and youth programs, as well as provide scholarships to those in need.

Giving opens us up to receive and we would like to give you your first gift. As a token of our appreciation for your generous support we would like to offer you an astrology report of your choice or an audio recording *Edgar Cayce's Unfinished Business* by Sidney Kirkpatrick. Please indicate your choice on the form below. Thank you!

But wait, there's more –
The IRS is giving you a second gift. This pledge is tax deductible.
